NUVO and T. Stenner Group of CIBC Wood Gundy LifePilot Benefit Gala

The T. Stenner Group LifePilot conference offered guests a chance to reflect upon the future and, with a benefit gala, a chance to celebrate the present. The workshop allowed professionals and active individuals to re-examine the elements needed to chart a course from success to significance. Peter H. Thomas, founder of Century 21 Real Estate for Canada, led the day's events. After the workshop, all in attendance were invited to Lorne and Melita Segal's home. This was the debut of their new home which features contemporary brilliance designed and renovated by Bing Thom Architects and a stunning 14-foot glass-encased fireplace blazing with 1,000,000 BTU. The Four Seasons catered a lavish feast. Special guest Joe Segal shared a presentation on his views on philanthropy and the power of a legacy. NUVO partnered with the T. Stenner Group to provide design services and take-home gifts for each of the guests at the private dinner compliments of L'Occitane, Christian Dior, Thomas Haas Fine Chocolates, Mercedes-Benz, and Sin'Sational Sweets. Montecristo Jewellers donated a Cartier Gents Santos 100 Chronograph, a retail value of \$8,000, which managed to raise a generous \$40,000 on auction. In total \$100,000 was raised that evening.
